- 4) Submit a check for \$60.00 made payable to “Sarasota Bay Singles Yacht Club* , sign and return this form.
- 5) The membership committee will review your application, talk with your sponsor if you have one, and perhaps meet and talk with you. If all is in order, you will be asked to meet at the dock to see if you can deploy and retrieve an anchor, and raise and lower the sail. If you can do so with reasonable control, your application will be accepted and you can attend all social events. Before you can go out on a boat sailing, you must take and pass our “Basic Sailing” course which is provided by club volunteers at no charge. Within 6 months of your application being accepted, you must take and pass the Coast Guard Auxiliary or Power Squadron “Safe Boating” course or your sailing privileges will be suspended until you do pass.

I have read and agreed to everything on this page.
